ANIMATED FAMILY

I designed, rigged and animated these characters as an
2D rigging exercise. Check the demo video [HERE](#) !

These characters could fit for a turn based RPG maybe?

PRINTS

I like to try out different art styles.

**One might characterise my style as crazy cartoony.
I love horror that doesn't take itself too seriously.**

RETRO 3D DEMO

I spent about two weeks of my evenings to learn retro styled 3D art. I really liked the end result!

Check out the demo video [HERE](#) !

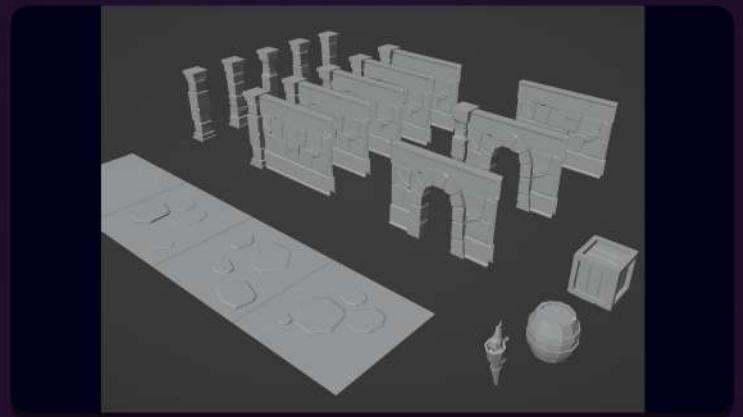

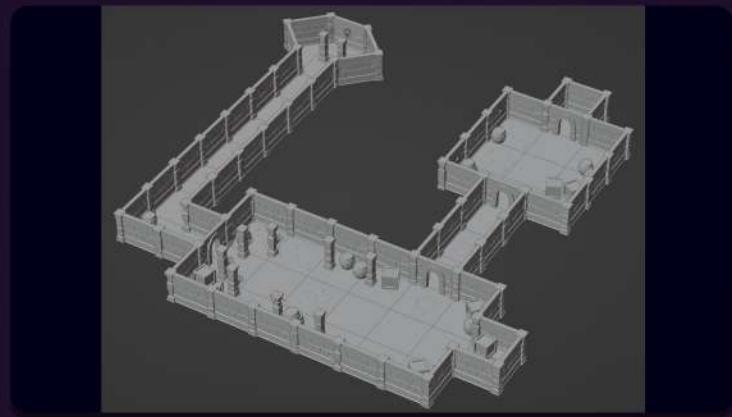

MISCELLANEOUS

I've been learning 3D modeling whenever I have spare time. I can do rigs and animation as well.

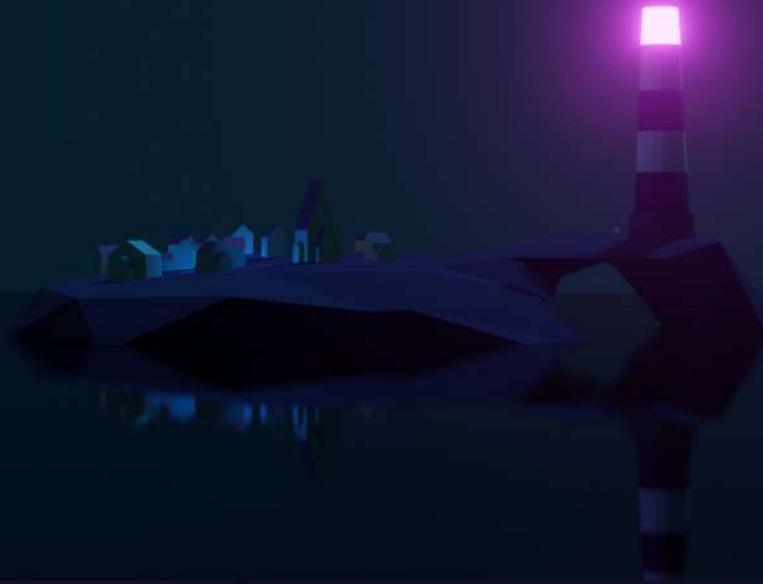

I've been also focusing on efficient topology.

MODULAR DUNGEON

I've learned how to make modular pieces of 3D environment.

All the 3D art has been done with Blender.
